

The Student Chapter of the International Society for Pharmacoepidemiology,
The Center for Pharmacoepidemiology, and
The Department of Epidemiology, University of North Carolina at Chapel Hill Gillings School of
Global Public Health are proud to present:

The 6th Annual Harry Guess Memorial Lecture

Alexander M. Walker, MD, DrPH

Principal, World Health Information Science Consultants, LLC,
Adjunct Professor of Epidemiology, Harvard School of Public Health

will present a seminar:

“Equipoise”

Wednesday, March 6, 2013

3:30-4:30PM

Tate-Turner-Kuralt 136

(Auditorium, UNC School of Social Work)

A reception will follow in the lobby area outside the Department of Epidemiology (2101 McGavran-Greenberg).

This event was funded at least in part by Student Fees which were appropriated and dispersed by the Student Government at UNC-Chapel Hill and the Graduate and Professional Student Federation
